

# 2017 ANNUAL REPORT

# letter from the **board chair** **and ceo**

**Mike Sutton**  
CEO

This year, 2017, marks the 32nd anniversary of Habitat for Humanity of Pinellas County. Thanks to your support, hundreds of families have enjoyed the opportunity to improve their housing situations through a zero-percent interest mortgage, providing a safe and affordable place to live for their family for years to come.

**Jason Clement**  
Board Chair

Through the commitment of our Habitat partner families, board of directors, volunteers, donors and staff, our affiliate was able to make a deep impact in Pinellas County this year:

- 59 families served in fiscal year 2016-2017 (July 2016 – June 2017).
- More than 46,754 volunteer hours helped construct these homes.
- For the 10th consecutive year, Habitat Pinellas was recognized by Charity Navigator as a four-star charity, an accomplishment that less than one percent of charities evaluated nationwide have achieved.
- Habitat Pinellas was recognized as Nonprofit of the Year by TBBJ in the Public and Societal Benefit Category.
- 95 cents of every dollar donated to Habitat Pinellas goes directly to building affordable homes for moderate-income families in our community!

We are proud of our families for their dedication to improve not only their lives, but also the lives of their children. Now, in our fourth year of a four-year strategic plan, Habitat Pinellas will continue focusing on growth, quality and sustainability.

We thank you for continuing to support Habitat through your generous donation of time, talent and treasure.

In partnership,

Mike Sutton, CEO

Jason Clement, Board of Directors Chair

Your contributions and volunteerism help Habitat make life-changing differences for struggling families and, in the process, positively impact our neighborhoods.

Every day, thousands of local hard working families have to decide between paying rent or buying groceries. Monthly rent in the Bay area has escalated, leaving a significant gap between what families can afford and what's available. At Habitat Pinellas, we are working hard to make affordable homeownership a reality because we believe that everyone deserves a decent place to live.

Habitat Pinellas served 59 families in the fiscal year of 2016 - 2017. Hard work and generosity made it possible for these families to have something that most of us take for granted — peace of mind and a stable place for their children to thrive.

A hand up, not a handout. Habitat families work hard; they don't ask for handouts. By the time they get their keys, they have put in at least 350 hours of "sweat equity," made a modest down payment and received a zero-interest mortgage. They are physically and financially invested in their homes and set on the right path toward responsible homeownership. The homeowner classes they are required to complete as part of their covenant with Habitat provide them with the tools to be successful homeowners and contributing citizens of their local communities.

People are often surprised by how much we can do with their donations. With as little as \$30, we

can put up a wall in a Habitat home, buy several bags of concrete or a bundle of shingles. That is impressive, seeing as \$30 isn't enough to fill up a gas tank these days. Even the smallest donations can make a big difference, and our supporters know their money is going to a good cause.

Habitat for Humanity Pinellas County received a Charity Navigator four-star rating for the 10th consecutive year, which means you can trust that we are being responsible with your donations. Of every dollar donated, 95 cents goes to our program.

Habitat's building program benefits our community:

- Revitalizes neighborhoods
- Increases the tax base
- Encourages volunteerism
- Removes substandard housing
- Provides employment for subcontractors

# home sponsors

With 2017 coming to a close, there is much to celebrate — lives have been changed and hope has been restored for 59 families throughout Pinellas County.

Home sponsors are critical partners in helping Habitat Pinellas make affordable homeownership a reality for the hardworking families in our area. Habitat Pinellas depends upon the support of corporations, churches, businesses, civic groups and individuals to carry out our mission.

During our 2016-2017 fiscal year, with the funding support of several businesses, faith organizations and individuals, Habitat Pinellas has dedicated 59 new homes and repaired 18 for families throughout Pinellas County!

We are proud to partner with the following sponsors who graciously supported our 2017 home builds and helped improve the lives of these 59 families and their children:
