

The Women Build brings together strong women from across the region to build homes for two women-led families.

We invite female leaders in C-Suite or leadership roles seeking a transformational opportunity to support the homeownership dreams of a deserving family to join the 2025 Women Build. Join the build as a Leader, Duo, or Corporate Partner!

— **BENEFITS INCLUDE** —

- Invitation to exclusive kick off event and build day with other female leaders for a unique and unforgettable volunteer and networking experience
- Promote your business and partnership with Habitat for Humanity with a personalized toolkit for social media and advertising campaigns
- Relationship building with other like-minded female professionals in the Tampa Bay Region.
- Commemorative Women Build hardhat & t-shirt...and more!

INDIVIDUAL OPPORTUNITIES

Leader - \$2,500

Join the Women Build as a community leader through the Leader sponsorship! This sponsorship is designed for female leaders in a C-Suite or leadership role seeking a life-changing donation and volunteer opportunity to support a women-led family. Attend an exclusive build day with other female leaders for a unique and unforgettable volunteer and networking experience. Promote your business and partnership with Habitat for Humanity with a personalized toolkit for social media and advertising campaigns.

- Invitation to a Women Build Kick-Off Party at the start of the build
- Invitation to a Women Build Exclusive Leaders day (photo opp and exclusive networking opportunity)
- Commemorative Women Build hard hat & Women Build t-shirt
- Invite to the Women Build calendar to volunteer on build days with open spots
- Name recognition on the signage in front of the family's home for the duration of construction
- Name included on collateral and media releases promoting the build
- Inclusion in the Leader social media campaign – a graphic with your headshot and logo announcing your involvement with the build.
- Personalized toolkit of marketing assets to announce your involvement with the build, including video interview footage, social media graphics, etc.
- Recognition on the Habitat website with a link to your website

Duo - \$4,000

This sponsorship level is perfect for Moms and Daughters, Sisters, Best Friends, and Business Partners who want to partner together for a life-changing donation and volunteer opportunity for a women-led family. With this package, you each can attend an exclusive build day with other female leaders for a unique and unforgettable volunteer and networking experience.

- Invitation to a Women Build Kick-Off Party at the start of the build
- Invitation to a Women Build Exclusive Leaders day (photo opp and exclusive networking opportunity)
- Commemorative Women Build hard hats & Women Build t-shirts

THE MIMS FAMILY

Habitat
for Humanity®
Tampa Bay Gulfside

**We build strength, stability,
self-reliance and shelter.**

HOMEOWNERS

Kristen Mims
Jaylinn, son, age 16
Elijah, son, age 10,

“My house will be a place for refuge and peace.”

Kristen Mims, a Sales Support Administrator at Centene, is taking a transformative step with her two sons, Jaylinn and Elijah, through the Habitat for Humanity Homeownership Program. Kristen, who has worked in her current role for two and a half years, heard about Habitat's program through word of mouth and immediately saw it as an opportunity to build a more secure and stable life for her family. “As the boys get older, it's come time that they are placed in a better place to continue to thrive,” she shared. “Stability and security are at the forefront of this transition, and we are very appreciative of this new opportunity to achieve that.”

SPONSORS

Kristen's family is defined by love, laughter, and quality time together. “Our family is a bundle of joy – truly. We're always joking and spending time together,” she said. “We all have an appreciation for movies and being outdoors. Travel and the beach are some of our favorite activities. There's never a dull moment!” Her oldest son, Jaylinn, 16, is passionate about music and technology and is currently enrolled in his high school's CAT program, where he explores the future of tech. Ten-year-old Elijah is a bright and curious sports lover who already knows all 50 state capitals and many world geography and space facts.

HOME SITE

804 Norman Terrace
Clearwater, FL

Finding out she was accepted into the Habitat program was an unforgettable moment for Kristen. “I was in utter shock. I honestly think that I'm still in shock – haha!” she admitted. Looking toward the future, Kristen envisions her Habitat home as a place of comfort and celebration. “I think about this daily. I envision lots of smiles and family gatherings. Knowing that we have a safe and secure location will be a major stress reliever. The sense of accomplishment alone is something that I look forward to.” For Kristen, this home means more than just walls and a roof. “Home is where your heart finds peace, and your soul feels at ease.”

Kristen's journey with Habitat is driven by her love for her children and her hope for a brighter future. “I am building because my boys deserve it,” she said. “Habitat for Humanity is an amazing blessing!”
