

**BUILDING
on faith**

Turn Faith into Action

Habitat for Humanity's founders, Millard and Linda Fuller, often spoke about the "Theology of the Hammer". While there are differences between denominations and religions, through collaboration, we can provide security, self-reliance, and shelter to deserving families in our community.

As a Faith Build sponsor, you will support a local family's homeownership dreams and engage your community with unique and hands-on volunteer experiences.

Sponsorship Benefits include:*

- Access to community wide build days
- Recognition on the signage in front of the family's home during construction
- Inclusion in PR and marketing efforts regarding the home build
- Annual recognition in Habitat's Annual Report
- Marketing toolkit to promote your involvement with the build

**See sponsorship listings for level-specific benefits*

**For more information, contact Xavier Oliver
at xoliver@habitatbg.org or 727-536-4755 ext. 216.**
